# General Information

# for Visitors

U.S. citizens do not require a passport to enter Canada. However, it would be helpful to carry some proof of U.S. citizenship, such as a birth certificate or voter's registration card.

### FOR YOUR PROTECTION

Pink cards are no longer required by non-residents, but drivers involved in accidents where any person is killed or injured, or where property damage exceeds \$100.00 should be able to produce evidence of financial responsibility.

#### TOURISTS' AUTOMOBILES

The entry of automobiles and trailers into Canada for touring purposes is generally a quick routine matter without payment of any duty or fee. Travellers' Vehicle Permits, good for any period or bicycle. The permits are issued at ports of entry and are good for any port of exit. Motor Vehicle Registration forms must be carried and if the vehicle is leased from a U-drive company, a copy of the rental contract is required.

Your driver's licence whether from any state of the U.S.A. or from other countries is valid while vacationing in Canada for a period not exceeding three months.

### FIREARMS, FISHING TACKLE

A visitor does not require a Federal permit to possess rifles, shotguns or fishing tackle in Canada. He must provide Canadian Customs with a description of such equipment and serial numbers of guns so that the articles may be readily cleared upon their

Such permission does not give the right to hunt or fish. Fifty rounds of ammunition per person are admitted duty free. Revolvers, Pistols, and Fully Automatic Firearms are Prohibited.

# SPORTING OUTFITS, EQUIPMENT, ETC.

articles purchased in Canada.

Visitors may also bring sporting outfits for their own use by declaring them at entry. These can include fishing tackle, portable boats, outboard motors, equipment for camping, golf, tennis and other games, radios, portable or table-model television sets, musical instruments, typewriters, cameras (with a reasonable amount of film and flashbulbs) in their possession on arrival, 200 cigarettes, 50 cigars, 2 pounds tobacco, two days of foodstuffs, 300 miles of gasoline and oil.

## ARTICLES PURCHASED IN CANADA

United States residents returning from Canada may take back, once every 31 days, merchandise for personal or household use to the value of \$100, duty and tax free, provided they have remained in Canada at least 48 hours.

Members of a family household travelling together may combine their personal exemptions. Persons crossing the International Boundary at one point and swinging back into the United States in order to travel to another

part of Canada should inquire at United States Customs regarding special exemption requirements. Residents from countries other than the United States should ask the appropriate authorities of the country of their origin or its nearest consulate for detailed information about duty charged on

### WEATHER AND CLOTHING

High temperatures are made more pleasant by generally low humidity. Although the days are warm and bright during the summer, the nights, especially in the mountain areas, are cool and conducive to good sleep.

During the summer vacation months wear the usual summer clothing, bringing a warm sweater for chilly evenings. For spring and fall bring some medium-weight apparel including a top coat. During the winter wear warm clothing and appropriate sports attire.

#### DOGS AND OTHER PETS Dogs: from the United States of America must be accompanied

by a certificate signed by a licensed veterinarian of Canada or the United States certifying that the dog has been vaccinated against rabies during the preceding twelve months; such certificate shall carry an adequate and legible description of the dog and date of vaccination and shall be initialled by the inspecting official at the Customs port of entry and returned to the owner.

There are no restrictions governing the temporary admission to Canada of pet cats.

## CANADIAN MONEY

Canadian currency is now on the free market and its value in terms of U.S. dollars may fluctuate from day to day. Americans should buy Bank Drafts payable in Canadian funds, or Canadian currency

from their own bankers in the United States. THERE IS NO PROVINCIAL SALES TAX IN ALBERTA.

#### CAR RENTALS

WANETA, B.C. & U.S. Northport Jan. 1 - Dec. 31 8 a.m. - 5 p.m.

Numerous car rental companies operate in Alberta. Services are available at Edmonton, Calgary, Lethbridge, Medicine Hat, Red Deer, Grande Prairie, Peace River, Banff and Jasper.

#### **AIRCRAFT**

Canada is a member of the International Civil Aviation Organization and welcomes air visitors under convenient arrangements. A temporary pilot's permit is granted free to those qualified and who wish to fly in Canada for health or pleasure. Detailed information on Air Regulations, Navigation Orders, Radio Aids and relevant material is available on request to the Civil Aviation Branch, Dept. of Transport, Ottawa, Canada; and from the Alberta Aviation Council, 201 Terminal Building, Industrial Airport, Edmonton, Alberta. Customs airports are located at Lethbridge, Calgary, Edmonton and Medicine Hat.

TRAILERS IN ALBERTA		
license is required for a non-resident trailer —		
e: Overall length (car and trailer) permitted	60	1
Overall width	10	1
Overall height (ground up)	13	1
Check with National Parks for their requirements.		

#### GASOLINE - ICE -PROPANE Supplies of gasoline, ice and propane are available in all Alberta

cities and most towns. Ask your service station or information bureau attendant for directions. United States motorists are reminded that the Imperial gallon measure sold in Canada is one-fifth larger than the United States gallon - and so when in Canada, fewer gallons are needed to fill

# **National Parks** in Alberta

BANFF NATIONAL PARK, ELK ISLAND NATIONAL PARK, JASPER NATIONAL PARK, WATERTON LAKES NATIONAL PARK. \*WOOD BUFFALO NATIONAL PARK

Information may be obtained on the above by writing the Information Bureau at Banff, Elk Island, Jasper, and Waterton Parks \* Not developed for tourists; no accommodation or facilities. BANFF JASPER HIGHWAY (ICEFIELD HIGHWAY) --- now open all

year with controlled traffic during winter season. Information also available at the Alberta Government Travel Bureau, 331 Highways Building, Edmonton, Alberta.

# **Provincial Parks**

A list of the provincial parks, with their facilities will be found in the Sunny Alberta Accommodation Guide.

# Forestry **Trunk Road System**

Constructed primarily to provide forest protection this road links the Crowsnest Pass with Grande Prairie, a distance of 640 miles. The road is gravelled and has campgrounds. Service stations at Highwood River Crossing, Seebe, Red Deer River Crossing, Nordegg, Robb, Entrance, Hinton and Grande Cache. The road may be closed during hot dry weather if danger of forest fires is extreme. Maintenance and construction may create an occasional detour. Hunting and fishing is good; scenery excellent.

# Circle Tours and Side Trips

Alberta's ever-expanding highway system, and the varied topography of the province, make it possible for the visitor to take circle tours and side trips to many points of interest. Some of the tours are as follows; bring your camera, and "take" Alberta:

1. CIRCLE TOUR — Calgary, Banff, Jasper, Edmonton, Red Deer, Calgary. (Includes foothills, Canadian Rockies, parkland, oil and gas development, cities.)

2. BADLANDS TOUR — Calgary, Drumheller, Stettler, Camrose, Edmonton. (Badlands of the Red Deer River Valley and Dinosaur Trail, prosperous farming areas; oil and gas development.)

Lethbridge, Cardston, Waterton Lakes National Park, Pincher Creek, Fort Macleod, Calgary. (Parkland, prairie, irrigation development, historical area, gas and oil development, ranching.) 4. PEACE RIVER TOUR - Edmonton, Valleyview, Grande Prairie (west to Dawson Creek and the start of the Alaska Highway); Rycroft, Peace River (north on Mackenzie Highway to Yellow-

knife); McLennan, Slave Lake, Athabasca, Edmonton. (Scenic

Peace River area, farming, hunting, fishing. Historic pioneer

3. SOUTHERN TOUR—Cypress Hills Provincial Park, Medicine Hat,

region; gas and oil development.) 5. LAKE LAND TOUR - Edmonton, Vilna, Lac La Biche, Cold Lake; return via Ashmont, Lavoy, Mundare, Elk Island National Park,

(Fishing, both lake and stream, parkland, historical area, hunting.) 6. FORESTRY TRUNK ROAD SYSTEM — Gravelled roads, through the Rocky Mountain forest reserves, with access roads and recreation areas. In three sections: (a) Coleman to Kananaskis,

(b) Cochrane to Nordegg and to Hinton, (c) Hinton to Goodwin. For further tours and relevant information write: The Alberta Government Travel Bureau, 331 Highways Bldg., Edmonton.

# The Far North

#### ALASKA HIGHWAY No special permit is needed for travel over the Alaska Highway.

Detailed information about the highway, accommodation, roadside service, etc., is published in a special booklet which may be obtained from the Canadian Travel Bureau, Ottawa, or from the Alberta Government Travel Bureau, Highways Building, Edmonton. Road conditions are best during June through September. Thawing conditions make roads soft during March through May. Rain and snow make them slippery in October and November and snow

conditions prevail through December, January and February.

Topographical maps may be ordered from the Map Distribution Office. Surveys & Mapping Branch, Dept. of Mines and Technical Surveys, Ottawa 4, Ontario, OR Technical Division, Dept. of Lands & Forests, Natural Resources Building, Edmonton, Alberta,

#### MACKENZIE HIGHWAY

For detailed information about fishing camps, hunting, boat trips, guides, etc., in Northwest Territories write to Northwest Territories Tourist Office, Dept. of Northern Affairs and National Resources, 150 Kent St., Ottawa, Ontario.

The Mackenzie Highway extends from Grimshaw, 16 miles west of Peace River to Yellowknife, on the north shore of Great Slave Lake, in the Northwest Territories. The highway is gravelled throughout and is kept open all year. Penetrating some of the most wild and unsettled areas in Canada, it traverses muskegs, jackpine ridges, sluggish creeks and rapid rivers. One of the most beautiful waterfalls in Canada is 337 miles north of Grimshaw where the Hay River plunges over a wide ledge, as the Alexandra Falls, into a gorge 109 feet below. Louise Falls and Lady Evelyn Falls are also in this area. Camping facilities are at frequent intervals.

#### Points of Interest

1. Grave of Twelve Foot Davis -- H. F. Davis gained International fame under the nickname of "Twelve Foot" Davis, when during the Cariboo gold rush, he noticed two gold claims at Barkerville seemed to exceed the limit by twelve feet which he promptly staked. The 12-foot claim yielded more than \$15,000 in gold.

2. St. Charles Mission — About 50 miles north of Grande Prairie at Dunvegan Crossing is the first permanent Roman Catholic mission church in the vast Peace River district, constructed during the years

3. Athabasca Landing — This was once the "jumping off point" for the vast northland. Here in 1887 the first steamboat "Athabasca" was built to ply the river between Mirror Landing and the Grand

4. St. Albert Cathedral — Enclosed within a protective building is the original log cathedral constructed in 1861 by Father Lacombe, pioneer western Canadian priest.

5. Frog Lake Massacre — 25 miles north of Marwayne in Eastern Alberta, a cairn and cemetery stand in memory of the massacre at Frog Lake, April 2, 1885. Nine men were killed and a North-West Mounted Police Constable was fatally injured the next day by an attacking band of Cree Indians.

6. High Level Bridge — Constructed in 1910-1913 at a cost of \$2,000,000, the 2,478 foot bridge crosses the North Saskatchewan River at Edmonton. The top deck was designed originally to accommodate streetcars and trains while motor traffic used the lower

7. Fort Edmonton — First established by Hudson's Bay Co. in 1795, Fort Edmonton was moved several times before settling permanently at this site in 1830.

Edmonton, Alberta's Legislative Building was started in 1907 and officially opened in 1912. The building is open to visitors Monday through Friday all year, also Saturday, June to September. 9. Storyland Valley — A five acre children's zoo depicts fairy tales and nursery rhymes in over-size plastic models. Displayed are

8. Legislative Building — Located on the site of the old Fort

species of animals and birds from many parts of the world. Opened in 1959 the zoo is circled by the Edmonton Little Western Railroad which takes passengers on a quarter mile tour. 10. Jubilee Auditoriums — Among the world's outstanding auditoria

are the two located at Edmonton and Calgary. Commemorating the Province's Golden Jubilee in 1955, the \$4.5 million buildings seat 2,750 persons each. 11. Elk Island Park — One of the few remaining herds of buffalo

are to be found at Elk Island National Park. 12. The "Ribstones" — These stones which resemble the ribs of

a buffalo undoubtedly had a sacred significance, were graven well

over a thousand years ago. 13. Ukrainian Museum — A unique museum displaying the national costumes, handicrafts and other hereditary features of Ukrainian culture, is located at Mundare, near a grotto maintained by the

14. Inverted Aqueduct Siphon — Built in 1911 - 1914 at a cost of \$700,000 the two mile long Brooks aqueduct which serves 58,000 acres of irrigated land features a unique inverted siphon to carry the water under the tracks of the C.P.R. mainline.

15. The Badlands - More than 300 square miles of the Red Deer River Valley forms the Badlands, an area of extreme soil erosion feet in height. The area is a treasure trove of petrified remains of early animal and vegetable life. Biggest Little Church — Standing starkly alone on the edge of the Dinosaur Trail, the Biggest Little Church, seven by 12 feet in size, has pews inside capable of seating

16. Rocky Mountain House Fort — Built in 1799, the first of several forts constructed in the immediate district, this structure was headquarters for Geographer and Explorer David Thompson.

17. Blackfeet - Cree Battle — In autumn 1870, about 800 Crees and Assiniboines attacked the Bloods and Blackfeet across the river. The Blackfeet repulsed the invaders, drove them into the river near here and ruthlessly slaughtered them. Final loss estimated 200 to 300 Crees and 40 Blackfeet. This was the last great Indian battle. 18. Massacre Butte — In 1867, an immigrant train consisting of about twelve men, women and children was massacred near this hill during the night by a war party of Blood Indians led by Medicine

19. The Frank Slide — Huge limestone boulders strewn across the floor of the Crowsnest Pass mark the site of the tremendous slide at Frank, Alberta, April 29, 1903, when a portion of Turtle Mountain 1,300 feet high, four miles wide and 500 feet deep toppled on the

20. The Calgary Zoo — Located on St. George's Island, features not only a wide range of live animals, but a unique display of life-size dinosaurs and other prehistoric reptiles. Provision for picnicking and camping.

21. Mormon Temple — The temple of the Church of Jesus Christ of Latter Day Saints, was built between 1913 and 1921 at a cost of about \$1,000,000. 22. St. Mary's Dam — One of the largest earth filled dams in

Canada, this tremendous structure provides water to irrigate 410,000 acres of land in southern Alberta. It holds 289,000 acre feet of water in a man-made lake 11 miles long. The 189 foot high dam cost \$7,000,000, was started in 1946 and completed in 1951.

23. Writing-On-Stone — Some time in the dim past a primitive people inscribed strange drawings of animals, men and symbols on these sandstone rocks. 24. The Aquarium — Located on the premises of the Calgary Brew-

ing Co. has an outstanding collection of fresh and salt water fish and marine life, snakes and reptiles. No admission fee. Open all day. 25. Fort Macleod Museum — A stylized version of the first NWMP outpost in Western Canada, the fort contains a museum building in which are displayed many items of early police equipment and pioneer home furnishings. 26. High Level Bridge, Lethbridge — Longest structure of its height

in the world. Built 1907 - 1909, at a cost of \$1,334,525.00. 27. Horsemen's Hall of Fame, Calgary — The history of the famous horsemen of the Early West is vividly depicted in the Calgary Horsemen's Hall of Fame; a collection of exhibits on the second

floor of the Aquarium Building in Calgary. 28. Glenbow Foundation, Calgary — An experiment in governmentprivate enterprise is the Glenbow Foundation Alberta Government Museum at 530 - 7th Avenue S.W., Calgary.

29. McDougall Memorial — A restored church at Morley, some 50 miles west of Calgary; commemorates the work of the Rev. George and John McDougall, Methodist missionaries among the Indians. 30. Banff School of Fine Arts — One of the most unique centres of continuing education to be found anywhere is Alberta's Banff School of Fine Arts, set amid the splendor of the Canadian Rockies

31. Planetarium — Canada's first public planetarium is located in Edmonton. It is operated by the city and the Royal Astronomical Society of Canada. 32. Brazeau Dam — Downstream water pollution control and power

of the Alberta Government and Calgary Power Ltd., located on the Brazeau River, 95 miles southwest of Edmonton. Additional information on Alberta's points of interest may be obtained from Travel Bureaus throughout the province,

Room 331, Highways Building, Edmonton, Alberta.

or by writing: ALBERTA GOVERNMENT TRAVEL BUREAU,

development are the main objects of Brazeau Dam, a joint project

Compiled and drawn by the Surveys Branch, Department of Highways, Edmonton, Alberta
